D. Background Information about UHC Dual Complete's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** UHC Dual Complete and have agreed to provide prescription drugs to you as a member of the plan.

Please contact UHC Dual Complete Member Services at the number at the bottom of this page or your Care Coordinator for assistance.

We also list pharmacies that are in our network but are outside the service area in which you live. You may also fill your prescriptions at these pharmacies. Please contact UHC Dual Complete at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept, for additional information. UHC Dual Complete members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the UHC Dual Complete Evidence of Coverage for more information.
- This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about UHC Dual Complete's network pharmacies in your area, please visit our website at myuhc.com/communityplan or call Member Services at the number at the bottom of this page, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Evidence of Coverage and UHC Dual Complete's *List of Covered Drugs*. You can find the List of Covered Drugs online at myuhc.com/communityplan or you can call Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept.

D1. Types of pharmacies in UHC Dual Complete's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies serve Native Americans and Alaska Natives and others under limited circumstances.

You are not required to continue using the same pharmacy to fill your prescriptions.

If you have questions, please call UHC Dual Complete Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/communityplan.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 100-day supply of your prescription drugs sent directly to your home. A 100-day supply has the same copay as a one-month supply.
- **100-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 100-day supply of covered prescription drugs. A 100-day supply has the same copay as a one-month supply.

If you have questions, please call UHC Dual Complete Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/communityplan.

Mail Order Pharmacy(ies)
 You can get prescription drugs shipped to your home through our network mail order delivery program which is called OptumRx® home delivery pharmacy. Prescription orders sent directly from your doctor must have your approval before we can send your medications. This includes new prescriptions and prescriptions refills. We will contact you, by phone, to get your approval. If we are unable to reach you for approval, your prescription will not be sent to you.

You also have the choice to sign up for automated mail order delivery through our OptumRx® home delivery pharmacy. Typically, you should expect to get your prescription drugs from 4 to 6 business days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, or if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, contact us at 1-844-368-5888, TTY 711, 8am-8pm: 7 Days Oct-Mar; M-F

Apr-Sept To learn more about mail order pharmacies, refer to Chapter 5 of the Evidence of Coverage.
