B. Background Information about UHC Dual Complete's Network Providers

B1. Key Terms

Your Care Team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your care team will also help you make a Plan of Care.

This section explains key terms you'll find in our Provider and Pharmacy Directory.

- Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Managed Long Term Services and Supports (MLTSS), supplies, prescription drugs, equipment, and other services.
 - The term **providers** also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and MLTSS.
 - Providers that are a part of our plan's network are called **network providers**.
- Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. The providers in our network generally bill us directly for care they give you. When you use a network provider, you pay nothing for covered services.
- A Primary Care Provider (PCP)** is a healthcare professional who gives you routine health care. Your Primary Care Provider/PCP will keep your medical records and get to know your health needs over time.
- Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.

Everyone on your care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your Primary Care Provider/PCP should know all medicines you take so that they can reduce any negative effects. Your Primary Care Provider/PCP will always get your permission before sharing your medical information with other providers.

Often, these services are provided at your home or in your community, but they can also be provided in a nursing home or hospital when necessary. MLTSS is available to members who meet certain clinical and financial requirements.

You can talk to your Care Manager or call Customer Service (their number is listed at the bottom of this page) to find out if you are eligible for MLTSS.

B4. Health Home Care Management

UHC Dual Complete wants to meet all of your health needs. If you have multiple health issues, you may benefit from Health Home Care Management to help coordinate all of your health services. The goal of the Health Home program is to make sure its members get the care and services they need. This may mean fewer trips to the emergency room or less time spent in the hospitals, better regular care and services from doctors and providers, finding a safe place to live, and finding a way to get the medical appointments.

A Health Home Care manager can:

- Work with your PCP and other providers to coordinate all of your health care;
- Work with the people you trust, like family members or friends, to help you plan and get your care;
- Help with appointments with your PCP and other providers; and
- Help manage on going medical issues like diabetes, asthma, and high blood pressure.

To Learn more about Health Homes, contact Members Services at **1-866-547-0772**. In order to be eligible for Health Home services, the individual must be enrolled in Medicaid and must have:

- Two or more chronic conditions (e.g., Substance Use Disorder, Asthma, Diabetes *); or
- One single qualifying chronic condition: HIV/ AIDS; or
- Serious Mental Illness (SMI) (Adults); or
- Serious Emotional Disturbance (SED) or Complex Trauma (Children).

If an individual has HIV or SMI, they do not have to be determined to be at risk of another condition to be eligible for Health Home services. Substance use disorders (SUDS) are considered chronic conditions and do not by themselves qualify an individual for Health Home services. Individuals with SUDS must have another chronic condition to qualify. Chronic Condition Criteria is NOT population specific (e.g., being in foster care, under 21, in juvenile justice, etc.), and does not automatically make a child eligible for Health Home. In addition, the Medicaid member must be appropriate for the intensive level of care management services provided by the Health Home (i.e., satisfy the appropriateness criteria).

B5. How to Access UHC Dual Complete's network providers

You must get all of your covered services from providers within our network. If you use providers who are not in UHC Dual Complete's network **(without prior authorization), you may have to pay for those services.**

Prior Authorization

A **prior authorization** is an approval from UHC Dual Complete before you can get a specific service, drug, or use an out-of-network provider. UHC Dual Complete may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also use providers outside the plan for other non-emergency services if UHC Dual Complete gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You may change your PCP for any reason at any time. If you want to change your PCP, call Customer Service. The change will become effective on the first day of the following month.
- UHC Dual Complete works with all the providers in our network to accommodate the needs of people with disabilities. If you need to use a provider and are not sure if they offer the accommodations you need, UHC Dual Complete can help you. Talk to your Care Manager for assistance.

B6. How to find UHC Dual Complete providers in your area

Network providers in your area are listed in the following sections of this directory. To find a provider using this directory, turn to the Table of Contents and see where each section begins. Go to the section of the type of provider you are looking for. Once you are in that section, locate the county you live in. Under each county you will find a list of providers in alphabetical order. You can also go online at myuhc.com/communityplan which is updated weekly and is available 24 hours a day, 7 days a week.

If you have questions, call UHC Dual Complete at 1-866-547-0772, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/communityplan.

How to access out-of-network providers

You must receive your care from a network provider. In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. Here are four exceptions:

- The plan covers emergency care or urgently needed services that you get from an out-of-network provider.
- If you need medical care that Medicare or Medicaid requires our plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider. In this situation, we will cover these services at no cost to you.
- The plan covers kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area.
- Family Planning services may be obtained via out-of-network providers. In these cases, the services will be covered directly via Medicaid fee-for-service.

If you get a bill for medical care you have received, do not pay it. Call Customer Service for information on how to send this bill to us so that we can pay it. When you send us the bill, we will look at the bill and decide whether the services should be covered.

Call your Care Manager or Customer Service for help with how to get care from out-of-network providers.

How to access specialty providers

You do not need a referral from your PCP to see a network specialist or behavioral/mental health provider. Although you do not need a referral from your PCP to see a network specialist, your PCP can recommend an appropriate network specialist for your medical condition, answer questions you have regarding a network specialist's treatment plan and provide follow-up health care as needed. For coordination of care, we recommend you notify your PCP when you see a network specialist. Your provider is responsible for getting any prior authorizations needed for medical and other covered services under your Plan.

You can get additional information on how to access specialty care by calling Customer Service at the number at the bottom of this page.

How to find a network pharmacy

The Pharmacy section lists pharmacy providers and is located in the sections following this introduction. You may also call Customer Service at the number at the bottom of this page.

If you have questions, call UHC Dual Complete at 1-866-547-0772, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/communityplan.

How to determine if a facility is accessible

Providers were asked to complete a questionnaire about accessibility in three areas: parking, entryways and other relevant spaces, and office exam rooms and equipment. Responses to the questionnaire are included in the provider listings.

If you need more information about access options, you can get information by calling Customer Service at the number at the bottom of this page. This could include, but is not limited to, information such as availability of flexible hours or wheelchair access.
