D2. Changes to prescription drug coverage

Changes to our Drug List

An updated **List of Covered Drugs** is located on our website at myuhc.com/CommunityPlan. You may also call Enrollee Services at the numbers at the bottom of the page for updated drug information or to ask us to mail you a **List of Covered Drugs**.

The **List of Covered Drugs** is also called the **Drug List**.

We made changes to our **Drug List**, which could include removing or adding drugs, changing drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the **Drug List** to **make sure your drugs will be covered next year** and to find out if there are any restrictions.

Most of the changes in the **Drug List** are new for the beginning of each year. However, we might make other changes are allowed by Medicare and/or the District that will affect you during the plan year. We update our online **Drug List** at least monthly to provide the most up to date list of drugs. If we make a change that will affect a drug you are taking, we will send you a notice about the change.

If you are affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Enrollee Services at the numbers at the bottom of the page or contact your care management team to ask for a **List of Covered Drugs** that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.
- Ask us to cover a temporary supply of the drug.
 - In some situations, we cover a **temporary** supply of the drug during the first 90 days of the calendar year.
 - This temporary supply is for up to 30 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your **Enrollee Handbook**.)
 - When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug.

If you have questions, please call UHC Dual Choice DC-Y001 (HMO D-SNP) at **1-866-242-7726**, TTY **711**, 8 a.m.–8 p.m., 7 days a week, October–March; 8 a.m.–5:30 p.m., Monday–Friday, April–September. The call is free. For more information, visit myuhc.com/communityplan.

E. Administrative Changes

	2024 (this year)	2025 (next year)
Rewards administration	No details on rewards expiring after your plan ends.	Rewards expire 1 month after your plan ends.

F. Choosing a plan

F1. Staying in our plan

We hope to keep you as a plan enrollee. You do not have to do anything to stay in our plan. If you do **not** change to another Medicare plan or change to Original Medicare, you automatically stay enrolled as an enrollee of our plan for 2025.

F2. Changing plans

Most people with Medicare can end their membership during certain times of the year. Because you have DC Medicaid, you can end your membership in our plan any month of the year.

In addition, you may end your membership in our plan during the following periods:

- The **Annual Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you are eligible to make a change to your enrollment. For example, when:

- You moved out of our service area,
- Your eligibility for DC Medicaid or Extra Help changed, **or**
- You recently moved into or are currently getting care in, an institution (like a skilled nursing facility or a long-term care hospital). If you recently moved out of an institution, you can change plans or change to Original Medicare for two full months after the month you move out.

If you have questions, please call UHC Dual Choice DC-Y001 (HMO D-SNP) at **1-866-242-7726**, TTY **711**, 8 a.m.–8 p.m., 7 days a week, October–March; 8 a.m.–5:30 p.m., Monday–Friday, April–September. The call is free. For more information, visit myuhc.com/communityplan.

Your Medicare services

You have two options for getting your Medicare services listed below any month of the year. You have an additional option listed below during certain times of the year including the **Annual Enrollment Period** and the **Medicare Advantage Open Enrollment Period** or other situations described in **Section F2**. By choosing one of these options, you automatically end your membership in our plan.

1. You can change to:

Original Medicare with a separate Medicare prescription drug plan

NOTE: If you choose this option, you will be enrolled in Medicaid on a fee-for-service basis. When you change your enrollment in the Dual Choice program, both your Medicare and Medicaid coverage options change.

Here is what to do:

Call Medicare at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

If you need help or more information:

OR

Enroll in a new Medicare prescription drug plan.

You will automatically be disenrolled from our plan when your Original Medicare coverage begins.

Your entitlement to Medicaid is not affected by your choice of Medicare coverage. You will still be eligible for Medicaid, subject to any needed reevaluation, and your Medicaid services can continue in Medicaid Fee-for-Service.

If you have questions, please call UHC Dual Choice DC-Y001 (HMO D-SNP) at **1-866-242-7726**, TTY **711**, 8 a.m.–8 p.m., 7 days a week, October–March; 8 a.m.–5:30 p.m., Monday–Friday, April–September. The call is free. For more information, visit myuhc.com/communityplan.
