## B. Frequently asked questions (FAQ)

The following table lists frequently asked questions.

Frequently asked questions	Answers
<p><b>What is a UHC Dual Choice D-SNP?</b></p>	<p>A Dual Eligible Special Needs Plan (D-SNP) is a type of Medicare Advantage health plan. A D-SNP is for individuals who are dually eligible for both Medicare and DC Medicaid. A D-SNP covers all of your Medicare and prescription drug benefits (Medicare Part D) and provides all of your Medicaid services and drugs for which you are eligible under the DC Medicaid program.</p>
<p><b>Will I get the same Medicare and DC Medicaid benefits in UHC Dual Choice DC-Y2 (PPO D-SNP) that I get now?</b></p>	<p>You will get most of your covered Medicare and DC Medicaid benefits directly from UHC Dual Choice DC-Y2 (PPO D-SNP). You will work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care team assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a District agency or specialty mental health and substance use disorder services.</p> <p>When you enroll in UHC Dual Choice DC-Y2 (PPO D-SNP), you and your care team will work together to develop a care plan to address your health and support needs, reflecting your personal preferences and goals.</p> <p>If you are taking any Medicare Part D prescription drugs that UHC Dual Choice DC-Y2 (PPO D-SNP) does not normally cover, you can get a temporary supply and we will help you to transition to another drug or get an exception for UHC Dual Choice DC-Y2 (PPO D-SNP) to cover your drug if medically necessary. For more information, call Enrollee Services at the numbers listed at the bottom of this page.</p>

## Medicare Advantage plans (Part C) and cost plans

**Medicare Health Maintenance Organization (HMO) plan** — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

**Medicare HMO point-of-service (HMO-POS) plan** — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. HMO-POS plans may allow you to get some services out of network for a higher copay or coinsurance.

**Medicare preferred provider organization (PPO) plan** — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors, providers and hospitals but you can also use out-of-network providers, usually at a higher cost.

**Medicare private fee-for-service (PFFS) plan** — A Medicare Advantage plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

**Medicare Special Needs Plan (SNP)** — A Medicare Advantage plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes and people who have certain chronic medical conditions.

**Medicare Medical Savings Account (MSA) plan** — MSA plans combine a high-deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

**Medicare cost plan** — In a Medicare cost plan, you can go to providers both in and out-of-network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

## Stand-alone Medicare prescription drug (Part D) plan

**Medicare prescription drug plan (PDP)** — A standalone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare private fee-for-service plans and Medicare Medical Savings Account Plans.

## Other related products

**Medicare Supplement (Medigap) Products** — Insurance plans that help pay some of the out-of-pocket costs not paid by Original Medicare Part A and Part B, such as deductibles and coinsurance amounts for Medicare approved services.

**Dental, vision, hearing products** — Plans offering additional benefits for consumers who are looking to cover needs for dental, vision or hearing. These plans are not affiliated or connected to Medicare.

**Hospital indemnity products** — Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans are not affiliated or connected to Medicare.

**PRIVACY ACT STATEMENT:** The Centers for Medicare & Medicaid Services (CMS) collects information from Medicare plans to track beneficiary enrollment in Medicare Advantage (MA) or Prescription Drug Plans (PDP), improve care, and for the payment of Medicare benefits. Sections 1851 and 1860D-1 of the Social Security Act and 42 CFR §§ 422.50, 422.60, 423.30 and 423.32 authorize the collection of this information. CMS may use, disclose and exchange enrollment data from Medicare beneficiaries as specified in the System of Records Notice (SORN) “Medicare Advantage Prescription Drug (MARx)”, System No. 09-70-0588. Your response to this form is voluntary. However, failure to respond may affect enrollment in the plan.

UHC Dual Choice DC-Y2 (PPO D-SNP) is insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a contract with the State Medicaid Program. Enrollment in the plan depends on the plan's contract renewal with Medicare.

## Enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

### Understanding the benefits

- ✓ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit our plan website or call to view a copy of the EOC. Our phone number and website are listed on the back cover of this book.
- ✓ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network.
- ✓ Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ✓ Review the Formulary to make sure your drugs are covered.

### Understanding important rules

- ✓ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium unless your Part B premium is paid for you by Medicaid or another third party. This premium is normally taken out of your Social Security check each month.
- ✓ Benefits may change on January 1 of each year.
- ✓ Our plan allows you to see providers outside of our network (non-contracted providers). Check the EOC to see which out-of-network services are covered on this plan. However, while we will pay for covered services the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care.
- ✓ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ✓ This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

# Important information: 2025 Medicare star ratings

## UnitedHealthcare - H2406

For 2025, UnitedHealthcare - H2406 received the following Star Ratings from Medicare:

Overall Star Rating: ★ ★ ★ ★ 4 stars

Health Services Rating: ★ ★ ★ ★ 4 stars

Drug Services Rating: ★ ★ ★ ★ 4 stars

Every year, Medicare evaluates plans based on a 5-star rating system.

### Why Star Ratings are Important

Medicare rates plans on their health and drug services. This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.

**The number of stars shows how well a plan performs.**

- ★ ★ ★ ★ ★ EXCELLENT
- ★ ★ ★ ★ ABOVE AVERAGE
- ★ ★ ★ AVERAGE
- ★ ★ BELOW AVERAGE
- ★ POOR
