## VISION

### Vision care

Members whose benefits include additional vision care, such as preventative eye exams and eyewear, may see the following vision providers. Not all network vision providers may be included in this list. This list may change. Please see your Evidence of Coverage for details about plan benefits, limitations and exclusions.

**Note:** For Medicare-covered vision care (medical conditions of the eye, glaucoma screenings, cataract services, etc.), see the **Specialists** section of this directory.

If your plan does not include additional vision care benefits and you visit one of these providers, your services will not be covered.
