Note: Due to State Law and Medicaid requirements, members must have a referral from their healthcare provider (physician, nurse practitioner, or physician assistant) before a pharmacist may provide drug therapy management services. The pharmacist must also have an active consulting agreement with the member's healthcare provider before services may be rendered. Nota: Debido a los requisitos de Medicaid y de la ley estatal, los miembros deben tener una referencia de su proveedor de cuidado de la salud (médico, enfermera especialista o asistente médico) antes de que un farmacéutico pueda prestar servicios de manejo de terapias de medicamentos. El farmacéutico también debe tener un contrato de consultoría activo con el proveedor de cuidado de la salud del miembro antes de que se puedan prestar los servicios.
