Medicaid Benefits

Information for people with Medicare and Medicaid. Your services are paid first by Medicare and then by Medicaid.

The benefits described below are covered by Medicaid. You can see what Texas Medicaid Health and Human Services Commission covers and what our plan covers.

Coverage of the benefits depends on your level of Medicaid eligibility. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, but you may have to pay a cost share. In some situations, Medicaid may pay your Medicare cost sharing amount. See your Medicaid Member Handbook for more details. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call Texas Medicaid Health and Human Services Commission, 1-512-424-6500.

About this plan

UHC Dual Complete TX-S4 (HMO-POS D-SNP) is a Medicare Advantage HMOPOS plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

This plan is a Dual Eligible Special Needs Plan (D-SNP) for people who have both Medicare and Medicaid, and don't pay anything for covered medical services. How much Medicaid covers depends on your income, resources, and other factors. Some people get full Medicaid benefits.

Your eligibility to enroll in this plan depends on your type of Medicaid.

You can enroll in this plan if you are in one of these Medicaid categories:

- **Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts for Medicare covered services. You pay nothing, except for Part D prescription drug copays (if applicable).
- **Specified Low-Income Medicare Beneficiary (SLMB+):** Medicaid pays your Part B premium and provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from your state Medicaid agency in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.
- **Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the State Medicaid Office in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

Our service area includes these counties in:

Texas: Aransas, Bee, El Paso, Jim Wells, Kleberg, Nueces, San Patricio.

Use network providers and pharmacies

UHC Dual Complete TX-S4 (HMO-POS D-SNP) has a network of doctors, hospitals, pharmacies and other providers. For routine dental services, you can use providers that are not in our network. This health plan requires you to select a primary care provider (PCP) from the network. Your PCP can handle most routine health care needs and will be responsible to coordinate your care. If you need to see a network specialist or other network provider, you may need to get a referral from your PCP. We encourage you to find out which specialists and hospitals your PCP would recommend for you and would refer you to for care, prior to selecting them as your plan's PCP. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to [UHC.com/CommunityPlan](https://www.uhc.com/CommunityPlan) to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.
