

# Get care quickly at your local pharmacy

We're working with local pharmacies to offer our members a virtual care option with UHC Doctor Chat. Skip the waiting room and visit with a health care provider online. Providers are available anytime the pharmacy is open and can answer questions, big or small.

At the pharmacy, you'll have access to your online visit on a pharmacy computer or tablet located in a private space. The pharmacy staff will help you log in to your online visit, too.

## Use UHC Doctor Chat for:

- Sick kids
- Coughs, fevers, sore throat
- Earaches, stomach pain, diarrhea
- Rashes, allergic reactions, animal/insect bites
- Back/abdominal pain
- Sports injuries, burns, heat-related illness
- Urinary tract infections
- General health questions

If you are having an emergency, contact 911 or your emergency services provider.
