

Crisis Services

If you think you have an emergency, no matter where you are, call 911 or go to the nearest hospital location where emergency providers can help you. As soon as possible, call your doctor or behavioral health provider to arrange for follow-up care after the emergency is over.

Mental Health Crisis: If you or someone you know is experiencing a mental health crisis, call the number listed below for the applicable county.

A mental health crisis is a moment when someone's behavior can put themselves or others in danger, especially if they do not get help.

Some examples of a mental health crisis are:

- *Threatens to or talks about hurting or killing themselves*
- *Feels like there is no way out, trapped*
- *Threatens to harm others*
- *Increases alcohol or drug use*
- *Feels rage or uncontrolled anger*
- *Feels anxious, agitated or unable to sleep*
- *Encounters dramatic mood changes*
- *Sees no reason for living*
