UnitedHealthcare Community Plan is a Managed Care Plan (MCP), which consists of a network of providers who will provide for your care. Because we are an MCP, your health care needs will be provided by providers who participate with UnitedHealthcare Community Plan. If your Primary Medical Provider (PMP) decides that you need services outside of UnitedHealthcare Community Plan's provider network, she/he can call Utilization Management to discuss your care. Please refer to your member handbook if you need help in accessing needed care.

UnitedHealthcare Community Plan does not discriminate on the basis of race, color, religion, sex, sexual orientation, age, disability, national origin, veteran status, ancestry, health status or need for health services in the receipt of health services.

Contact your Case Manager (if applicable) if you need assistance accessing specialists or a Primary Medical Provider.

UnitedHealthcare Community Plan es un plan de atención médica administrada (MCP), formada por una red de proveedores que le brindarán a usted los cuidados médicos necesarios. Debido a que somos un MCP, sus necesidades de atención médica serán proporcionadas por proveedores que participan en UnitedHealthcare Community Plan. Si su proveedor de médico primario (PMP) decide que usted necesita servicios por fuera de la red de proveedores de UnitedHealthcare Community Plan, puede llamar a Administración de Utilización (Utilization Management) para hablar acerca de sus cuidados médicos. Consulte su manual para miembros si usted requiere ayuda para obtener la atención médica que necesita.

Cuando usted tiene que recibir atención médica, UnitedHealthcare Community Plan no discrimina por motivos de raza, color, religión, sexo, orientación sexual, edad, discapacidad, origen nacional, estado como veterano, ascendencia, por su estado de salud o por la necesidad de servicios de salud que usted tenga.

Comuníquese con su Administrador de casos (si corresponde) si necesita ayuda para acceder a especialistas o un proveedor médico primario.
