# Choosing a Primary Care Physician (PCP)

---

There are several types of PCPs in this directory. Each covered family member may choose a different PCP in UnitedHealthcare Community Plan. Except in an emergency, your PCP and staff will give or manage all of your health care.

## Who can be a PCP

Provider types that can serve as PCPs are Doctors of Medicine (MDs) or Doctor of Osteopathic Medicine (DOs) from any of the following practice areas: general practice, family practice, internal medicine, pediatrics, or obstetrics/gynecology (OB/GYN) that are set up as a PCP. Advanced practice nurses (APNs) and physician assistants (PAs) may also serve as PCPs when they are set up as a PCP.

## Changing your PCP

If you want to change your PCP, call Member Services. They will help you pick a new PCP. You may change your PCP at any time. You may also contact a doctor to find out if the doctor contracts with UnitedHealthcare Community Plan. When you call, be sure to mention UnitedHealthcare Community Plan. Ask if the doctor is taking new patients.

If your PCP leaves the UnitedHealthcare network, they will call and tell us. We will send you a letter within 15 calendar days of us being told by the doctor.

## Seeing another doctor or specialist

Your PCP might want you to go to a specialist. A specialist is a doctor who treats a special problem, like a dermatologist or a heart doctor. Your doctor will help you find the right specialist. If you have a complex illness, you may need to see the specialist many times. You may see the specialist as often as needed. If you have complex care needs, a specialist can be the PCP. If you need this, call Member Services. We will help you find a specialist who can meet your needs.

## Choosing a dental home (PCD)

A dental home is simply a Primary Care Dentist (PCD) that will be assigned to each member. The idea of a dental home is to foster a relationship between the PCD and patient to provide better dental care and outcomes by promoting inclusive dental care in a comprehensive, continuously accessible, coordinated, and family-centered manner.

Members are encouraged to select their own PCD to serve as their dental home, but one will be assigned if not chosen. The PCD can be a general dentist or pediatric dentist. We have several PCDs in this directory for you to choose your Dental Home.

Members may change their PCD any time by contacting Member Services.

## **Out-of-network providers**

You or your PCP might decide that you need to see a doctor or provider that is not in our network. Your PCP may need to call us to approve these services before they will be covered. This is called a Prior Authorization. Read more about prior authorization in the member handbook. You do not need a prior authorization for family planning or in an emergency.

## **Family planning providers**

You have direct access to a family planning provider. Family planning providers help you manage the timing of pregnancies. These include birth control products and devices.

## **Women's health specialist**

You have direct access to a women's health specialists for women's routine and preventive healthcare services. You can find these doctors in the specialists section of this directory.

## **Native American access to care**

Native American members can access care to tribal clinics and Indian Hospitals if they are listed in the directory or not listed in the directory.

## **Mental health/substance abuse**

We offer mental health and substance abuse benefits. Doctors can be found in the Behavioral Health Providers section of this directory.

## **National ancillary providers**

We contract with durable medical equipment and laboratory providers nation-wide. Some national providers are not listed in the directory. Call Member Services to help you find a network ancillary provider.

## **Transportation services**

Transportation benefits include assistance with transportation to doctor visits and other medical services. All requests for non-emergency medical transportation should be directed to UnitedHealthcare's transportation vendor:

**ModivCare**

Phone: 1-833-583-5683

TTY: 1-866-288-3133

Website: [www.ModivCare.com](http://www.ModivCare.com)

Please note that transportation needs should be scheduled with ModivCare at least three (3) business days before the service is needed.

## **Quality care is important**

Not all health care is equal, and that can affect the care you receive. According to one study, adults receive the recommended medical treatment only 55 percent of the time.

Studies show that poor quality care can lead to more health problems and surgeries. It can also lead to more hospitalizations and a higher chance of the wrong diagnosis.

## **Your choices make a difference**

People who are involved in their health care decisions have fewer hospital stays and emergency visits. They also use preventive care more often and have lower medical costs. You can take an active part in your health. Seek out and choose quality care.

The Joint Commission is one entity that accredits hospitals. The following ratings are possible:

- **Accredited:** The hospital was in compliance with all standards when surveyed or within 90 days of the survey.
- **Preliminary accreditation:** The hospital passed a brief review of its compliance with the Joint Commission's standards and will be surveyed more fully shortly.
- **Conditional accreditation:** The hospital complies with some, but not all, of the Joint Commission's standards, but will be surveyed more fully shortly.
- **Provisional accreditation:** The hospital was not able to address all of the requirements for improvement that the first survey suggested within 45 days, or the hospital failed to show that it has been able to sustain compliance.

# Para escoger a un Doctor de Atención Primaria (PCP)

---

Hay varias clases de PCP en este directorio. Cada miembro con cobertura en la familia puede tener su propio PCP dentro de UnitedHealthcare Community Plan. Excepto en el caso de una emergencia, su PCP y el personal le brindarán o le administrarán a usted todos los cuidados de salud.

## Quién Puede Ser un Proveedor de Cuidado Primario

Los tipos de proveedores que pueden actuar como proveedores de cuidado primario (primary care providers, PCP) son doctores en medicina (doctor of medicine, MD) o doctores en medicina osteopática (doctor of osteopathic medicine, DO) de cualquiera de las siguientes áreas de práctica: medicina general, medicina familiar, medicina interna, pediatría u obstetricia y ginecología que estén establecidos como proveedores de cuidado primario. Las enfermeras de práctica avanzada (advanced practice nurses, APN) y los asistentes médicos (physician assistants, PA) también pueden actuar como proveedores de cuidado primario cuando se establecen como tales.

## Para cambiar de PCP

Si usted desea cambiar de PCP, llame a Servicios para Miembros. Ellos le ayudarán a escoger a un nuevo PCP. Usted puede cambiar de PCP en cualquier momento en que así lo desee. También usted puede ponerse en contacto con un doctor para conocer si ese doctor tiene un contrato con UnitedHealthcare Community Plan. Cuando usted llame, asegúrese de mencionar a UnitedHealthcare Community Plan. Pregunte si el doctor recibe a nuevos pacientes.

Si su PCP abandona la red de UnitedHealthcare, ellos nos lo dejarán saber. Nosotros le enviaremos una carta dentro de los primeros 15 días a partir de la fecha en que el doctor nos lo comunicó.

## Consultando con otro doctor o especialista

Es posible que su PCP quiera referirle a un especialista. Un especialista es un doctor que da tratamiento a un problema especial, como por ejemplo un dermatólogo o un cardiólogo. Su doctor le ayudará a encontrar al especialista más adecuado para usted. Si usted tiene un padecimiento complejo, pudiera necesitar continuar consultando con ese especialista muchas veces más. Usted puede consultar con el especialista tan a menudo como sea necesario. Si usted tiene necesidades especiales para los cuidados de salud, su PCP puede ser un especialista. Si usted tiene ese tipo de necesidad, llame a Servicios para Miembros. Nosotros le ayudaremos a encontrar al especialista que puede satisfacer sus necesidades de cuidados para la salud.

## **Elección de una Central de Cuidado Dental (Dentista de Cuidado Primario)**

Una central de cuidado dental es simplemente un Dentista de Cuidado Primario (Primary Care Dentist, PCD) que se asignará a cada miembro. La idea de una central de cuidado dental es fomentar una relación entre el Dentista de Cuidado Primario y el paciente para proporcionar un mejor cuidado dental y mejores resultados al promover de un cuidado dental inclusivo de manera integral, accesible sin interrupciones, coordinado y centrado en la familia.

Se anima a los miembros a elegir su propio Dentista de Cuidado Primario como su central de cuidado dental, pero se les asignará uno si no lo eligen. El Dentista de Cuidado Primario puede ser un dentista general o un dentista pediátrico. Tenemos varios Dentistas de Cuidado Primario en este directorio para que elija su central de cuidado dental.

Los miembros pueden cambiar de Dentista de Cuidado Primario en cualquier momento si se comunican con Servicio al Cliente.

## **Proveedores por fuera de la red**

Usted o su proveedor pueden decidir que usted necesita consultar con un doctor o un proveedor que se encuentre por fuera de nuestra red. Su PCP posiblemente tendrá que llamarnos para obtener la aprobación de los servicios antes de que sean dispensados. Esto se le conoce como autorización previa. Lea más acerca de las Autorizaciones Previas en su Manual para Miembros. Usted no necesita una autorización previa para servicios de planificación familiar o en caso de una emergencia.

## **Proveedores de Planificación Familiar**

Usted tiene acceso directo a un proveedor de planificación familiar. Los proveedores de planificación familiar le ayudan a programar los embarazos. Esto incluye productos y dispositivos anticonceptivos.

## **Especialistas de salud de la mujer**

Usted tiene acceso directo a un especialista en salud de la mujer para los servicios para el cuidado de la salud preventivos y de rutina de la mujer. Puede encontrar estos médicos en la sección de especialistas de este directorio.

## **Acceso al Cuidado para Nativos Americanos de Estados Unidos**

Los miembros nativos americanos de Estados Unidos pueden acceder al cuidado en clínicas tribales y hospitales para indígenas que aparezcan o no en el directorio.

## **Salud mental/abuso de sustancias**

Ofrecemos beneficios de salud mental y de abuso de sustancias. Se puede encontrar doctores en la sección de Proveedores de servicios de salud conductual de este directorio.

## Proveedores auxiliares nacionales

Tenemos contratos con proveedores de equipos médicos duraderos y servicios de laboratorio a nivel nacional. Algunos proveedores nacionales no están enumerados en el directorio. Llame a Servicios para Miembros para ayuda en encontrar un proveedor auxiliar de la red.

## Servicios de transporte

Los beneficios de transporte incluyen asistencia con el transporte para visitas al médico y otros servicios médicos. Todas las solicitudes de transporte médico que no sea de emergencia deben dirigirse al proveedor de transporte de UnitedHealthcare:

### **ModivCare**

Teléfono: 1-833-583-5683

TTY: 1-866-288-3133

Sitio web: [www.ModivCare.com](http://www.ModivCare.com)

Tenga en cuenta que las necesidades de transporte deben programarse con ModivCare al menos tres (3) días hábiles antes de que se necesite el servicio.

## La calidad en los cuidados de salud es importante

No todos los cuidados de salud son iguales, y eso puede afectar los cuidados que usted recibe. De acuerdo a un estudio, los adultos solo reciben el 55 por ciento del tiempo los tratamientos médicos recomendados.

Los estudios revelan que la inadecuada calidad de los cuidados de salud puede llevar a más problemas de salud y cirugía. También puede dar como resultado más hospitalizaciones y altas probabilidades de diagnósticos equivocados.

## Sus preferencias hacen la diferencia

Aquellas personas que participan en las decisiones acerca de sus cuidados de salud tienen menos estadías en el hospital y menos visitas a las salas de emergencia. Ellas también hacen uso de cuidados preventivos de salud más a menudo y tienen menores costos médicos. Usted puede tomar una parte activa en su salud. Busque y escoja cuidados de salud de calidad.

# Ejemplo de un listado de proveedor

## Descripción de la lista de proveedores

- Certificación del consejo** La certificación de un consejo denota el conocimiento experto en una especialidad médica. La certificación consiste en un proceso de pruebas y evaluación por especialistas en áreas específicas de medicina. Un especialista certificado por un consejo participa en sesiones actualizadas de educación, para poder ponerse al día en los procedimientos más avanzados dentro de las ciencias médicas y tecnológicas de su especialidad. Usted puede revisar las certificaciones de su proveedor que han sido otorgadas por un consejo acudiendo al sitio en internet del American Board of Medical Specialists (ABMS). Acuda a [www.abms.org](http://www.abms.org) y haga clic sobre “Is Your Doctor Certified?” (“¿Está su doctor certificado?”)
- Limitaciones** de la práctica, tales como la edad o la imposibilidad de aceptar nuevos pacientes.
- Silla de ruedas** Icono mostrando que la oficina del proveedor tiene acceso a silla de ruedas.
- El proveedor proporciona algunos servicios de **OB/GYN** (obstetricia y ginecología).

Listado:	Ejemplo:
Nombre del hospital	GoodCare Hospital
Número de teléfono del hospital	302-123-4567
Número de ID del hospital	000000074980

**La acreditación** demuestra que el hospital ha sido evaluado por expertos en la atención hospitalaria. Un hospital acreditado tiene que participar en los exámenes en curso para asegurarse de que sus operaciones reúnen las normas más recientes. Vea a continuación las posibles clasificaciones.

La Joint Commission es una entidad que acredita a los hospitales. Los siguientes valores son posibles:

- **Acreditado:** El hospital ha cumplido con todas las normas cuando encuestado o dentro de los 90 días de la encuesta.
- **Acreditación preliminar:** El hospital pasó una breve revisión de su cumplimiento de las normas de la Joint Commission y se encuestará más plenamente.
- **Acreditación condicional:** El hospital cumple con algunos, pero no todas, de las normas de la Joint Commission, pero se encuestará más plenamente en breve.
- **Acreditación provisional:** El hospital no era capaz de hacer frente a todos los requisitos de mejora que la primera encuesta sugirió dentro de 45 días, o el hospital no pudo demostrar que ha sido capaz de mantener el cumplimiento.

La acreditación también puede ser otorgado por la Asociación Americana de Osteopatía (American Osteopathic Association – AOA), en cuyo caso la lista se leerá, “Acreditación: AOA (Acreditado).”

Estos centros se encuentran en la red de proveedores de UnitedHealthcare Community Plan. Los centros de cuidados urgentes pueden ayudar con la mayoría de los huesos rotos, esguinces, sangrado leve o moderado, hematomas, quemaduras menores y la mayoría de las reacciones a los medicamentos.
