# Welcome to UnitedHealthcare Community Plan

---

## Welcome to UnitedHealthcare Community Plan and Congratulations!

You've made a smart choice in health care programs.

UnitedHealthcare Community Plan is a health maintenance organization. UnitedHealthcare Community Plan has contracted with certain doctors and other health care providers to help you get the health care you need.

That's why we wrote this booklet — to give you information you need when it comes to using the UnitedHealthcare Community Plan program. By reading this directory, you will learn important things about UnitedHealthcare Community Plan and the care you can expect to receive. Included is a listing of providers that have agreed to provide medical care to our members.

If you have any questions or need help, call the UnitedHealthcare Community Plan Member Services Department at **1-888-887-9003** or TDD access at **7-1-1** for the deaf or hearing impaired.

## UnitedHealthcare Community Plan translation services

If you need an interpreter or information in another language, please call us at **1-888-887-9003**. Deaf or hearing impaired members can call **7-1-1** for TDD access. We can provide materials in English and Spanish. We also offer translator (including sign language) at doctors visits.

## What to do in case of an emergency

An emergency is a serious accident or medical problem that, if not treated immediately, might turn into a life-threatening situation. Some examples of a medical emergency are:

- You can't stop bleeding
- You are bleeding for no known reason
- Loss of consciousness
- Very painful stomach or chest pain
- Poisoning
- Convulsions
- It's hard for you to breathe
- You think you're having a heart attack or stroke
- Severe or multiple injuries or burns

Emergency care for life-threatening or severe medical conditions is always covered, 24 hours a day, 7 days a week, no matter where you are.

**Remember:** If you have an emergency, call **9-1-1** or your local ambulance or go to the local emergency room. If you are not sure the symptoms you have are life-threatening, call your PCP.

## Self-referral services

Although your doctor is the person you see or talk to about most medical care there are some kinds of medical services that you can arrange for yourself. These are called “Self-Referral Services,” because you don’t need a referral from your PCP to get them.

You can go to UnitedHealthcare Community Plan providers for the following self-referral services:

- Dental care (if you are eligible)
- Vision exam (if you are eligible)
- Family planning and birth control services
- OB/GYN visits for routine care, pregnancy tests or prenatal care
- Behavioral Health services

## Provider listings

This part of the book lists the doctors who will give you the care you need. Please read this part very carefully. You’ll need to pick a UnitedHealthcare Community Plan doctor from the Primary Care Physicians listed in this book. Your doctor will work with you to provide the covered care and services you need.

## How to choose a PCP or clinic

All UnitedHealthcare Community Plan members must choose a PCP. If you are going to a doctor that you like, you can keep going to that doctor if he or she is part of the UnitedHealthcare Community Plan PCP network. If your current doctor is a specialist doctor, he or she may be allowed to serve as your PCP, if approved by UnitedHealthcare Community Plan.

After you decide on a PCP, call the Enrollment Counselor at **1-800-647-6558** to let them know you would like to enroll in UnitedHealthcare Community Plan and give them the name of your selected PCP. If your current doctor does not participate in UnitedHealthcare Community Plan the Enrollment Counselor will help you choose a new doctor that is part of the UnitedHealthcare Community Plan network. If you do not choose a doctor, one will be assigned to you. UnitedHealthcare Community Plan will send you a letter with your PCP’s name and phone number.

The UnitedHealthcare Community Plan provider network changes from time-to-time. For a current listing of providers, call Member Services at **1-888-887-9003**. If you are deaf or hearing impaired, call **7-1-1** for TDD access.

With some health plans, a member may not be able to access a particular specialist physician, even if the doctor is listed in the HMO’s provider network because of a relationship the member’s PCP has with another provider network called an IPA. With UnitedHealthcare Community Plan there are no IPA restrictions or limitations for specialists who are part of the network. In other words, you do not need to worry that you will not be able to see the specialist that you and your PCP decide is best for you. Your PCP can send you to any specialist who is listed in this directory.

# Bienvenido a UnitedHealthcare Community Plan

---

## ¡Bienvenido a UnitedHealthcare Community Plan y felicitaciones!

Usted ha tomado una decisión inteligente en cuanto a programas de atención médica.

UnitedHealthcare Community Plan es una organización de mantenimiento de la salud (“health maintenance organization”, HMO por sus siglas en inglés). UnitedHealthcare Community Plan ha contratado con determinados médicos y otros proveedores de atención médica para brindarle a usted la atención médica que necesita.

El propósito de este directorio es de brindarle información importante sobre el uso de UnitedHealthcare Community Plan. Al leer este directorio conocerá datos importantes sobre UnitedHealthcare Community Plan y la atención que usted puede esperar. Se incluye una lista de proveedores que están de acuerdo en proveer cuidados médicos a nuestros miembros.

Si tiene preguntas o necesita ayuda, llame al Departamento de Servicios para Miembros de UnitedHealthcare Community Plan al **1-888-887-9003** o para acceso TDD para personas sordas o con discapacidad auditiva al **7-1-1**.

## Servicios de traducción de UnitedHealthcare Community Plan

Si necesita un intérprete o información en otro idioma, por favor llámenos al **1-888-887-9003**. Los clientes que sean sordos o tengan discapacidad auditiva pueden llamar al **7-1-1** para el acceso TDD. Podemos proporcionar materiales en inglés y en español. También podemos conseguir un traductor (incluso de idioma por señas) durante las consultas con su médico.

## Qué hacer en caso de una emergencia

Una emergencia es un accidente o problema médico grave que si no se trata rápidamente podría convertirse en una situación que pone en peligro la vida. Algunas emergencias médicas son:

- Sangrado que no se detiene
- Usted está sangrando por razones desconocidas
- Pérdida de conocimiento o desmayo
- Dolor grave de estómago o del pecho
- Envenenamiento
- Convulsiones o ataques
- Dificultad para respirar
- Signos de ataque cardíaco o derrame cerebral
- Heridas o quemaduras graves o múltiples

La atención de emergencia para dolencias que ponen en peligro la vida o son graves está cubierta las 24 horas del día, los 7 días de la semana, no importa dónde se encuentre usted.

**Recuerde:** Si tiene una emergencia llame al **9-1-1** o su ambulancia local o vaya a la sala de emergencia local. Si usted no está seguro que los síntomas que presenta puedan o no amenazar su vida, llame a su PCP.

## **Servicios a los que usted puede acudir por sí solo**

Aun cuando usted visita y consulta con su doctor para la mayoría de sus cuidados médicos, hay varias clases de servicios médicos a los que usted puede acudir haciendo las citas usted mismo. Estos servicios se llaman “Servicios Auto-referidos” porque usted no necesita que su PCP le refiera a ellos.

**Usted puede acudir a los proveedores de UnitedHealthcare Community Plan para obtener los siguientes servicios autos-referidos:**

- Cuidados dentales (si usted es elegible)
- Exámenes de la vista (si usted es elegible)
- Servicios de planeación familiar y de control de la natalidad
- Visitas a un obstetra/ginecólogo para los cuidados rutinarios, pruebas del embarazo o cuidados pre-natales
- Servicios de Salud Mental

## **Listas de proveedores**

En esta parte del libro se encuentra una lista de los médicos que le darán la atención que necesita. Por favor lea esta parte con mucha atención. Tendrá que elegir un médico de UnitedHealthcare Community Plan de esta lista de proveedores de atención primaria. Su doctor trabajará con usted para proveerle los cuidados y servicios con cobertura.

## **Como escoger un proveedor de atención primaria o una clínica**

Todos los miembros de UnitedHealthcare Community Plan deben elegir un proveedor de atención primaria (PCP). Si usted va a un médico con quien se entiende bien, puede seguir yendo al mismo si ese médico es parte de la red de proveedores de UnitedHealthcare Community Plan. Si su médico actual es un especialista, tal vez él o ella pueda ser su PCP si usted consigue permiso de UnitedHealthcare Community Plan.

Después de elegir un PCP, llame al consejero de inscripción al **1-800-964-2777** para decirle que usted quiere inscribirse en UnitedHealthcare Community Plan y el nombre del PCP que ha seleccionado. Si el médico al que usted va ahora no está en UnitedHealthcare Community Plan el consejero le ayudará a elegir un nuevo médico que está en la red de UnitedHealthcare Community Plan. Si usted no elige un médico, nosotros lo elegiremos por usted. UnitedHealthcare Community Plan le enviará a usted una carta con el nombre y número de teléfono de su PCP.

La red de proveedores de UnitedHealthcare Community Plan cambia de vez en cuando. Para conocer la lista actual de médicos, llame al Departamento de Servicios para Miembros al **1-888-887-9003**. Si es sordo o tiene discapacidad auditiva, llame al **7-1-1** para acceso TDD.

Con algunos planes de salud, el miembro no puede tener acceso a ciertos médicos especialistas, aun si el doctor se menciona en las listas de la red de proveedores de HMO. Esto se debe a la relación que tiene el PCP del miembro con otra red de proveedores llamada IPA. Con UnitedHealthcare Community Plan no hay restricciones de IPA o limitaciones para consultar con especialistas que sean parte de la red. En otras palabras, usted no tiene que preocuparse de no poder consultar con el especialista que usted y su PCP decidan que es el mejor para usted. Su PCP puede mandarle a cualquier especialista que esté incluido en este directorio.
