Welcome to UnitedHealthcare Community Plan

Welcome to UnitedHealthcare, your MO HealthNet Managed Care health plan. Our network providers are ready to meet your health care needs.

The network doctors, specialists, hospitals and ancillaries – known as providers – are listed in this directory. Your health plan requires you to select a primary care provider (PCP) who will help coordinate your care.

Notice: Some providers listed may not be taking new patients. We show some who were not taking new patients when this directory was made. This may have changed. To find out the current status, call the provider or Member Services.

The network providers in this book are not employees or agents of UnitedHealthcare. They are independent providers. UnitedHealthcare does not provide medical care. We do not decide what care you should get. You and your doctor decide what care you should get. UnitedHealthcare only decides what care will be paid for under your health plan. Providers do not make coverage decisions. UnitedHealthcare encourages providers to discuss care options that may not be paid by your health plan.

Please note: This list of providers is subject to change.

Choosing a Primary Care Physician (PCP)

There are several types of PCPs in this directory. Each covered family member may choose a different PCP in UnitedHealthcare Community Plan. Except in an emergency, your PCP and staff will give or manage all of your health care.

Changing your PCP

You must choose a PCP. If you do not, we will choose one for you. Your PCP will manage your health care. The PCP knows the UnitedHealthcare, your MO HealthNet Managed Care health plan can guide you to specialists if you need one. You may ask for a specialist as your PCP if you have a chronic illness or disabling condition. We will work out a plan to make sure you get the care you need.

You have a right to change PCPs in our MO HealthNet Managed Care health plan. You can change PCPs at any time during the year. This change will become effective the first of the following month. Children in state custody may change PCPs as often as needed. To do this, call us at **1-866-292-0359**, TTY **711**. When you change your PCP, we will send you a new member ID card.

Seeing another doctor or specialist

Your PCP might want you to go to a specialist. A specialist is a medical professional who has a lot of knowledge about your chronic illness. If you have a chronic illness and are seeing a specialist for your medical care, you may ask your MO HealthNet Managed Care health plan for a specialist to be your primary care provider. Your doctor will help you find the right specialist. If you have a special health care need, call UnitedHealthcare, your MO HealthNet Managed Care health plan at **1-866-292-0359**, TTY **711**. UnitedHealthcare, your MO HealthNet Managed Care health plan will work with you to make sure you get the care you need. If you have a chronic illness and are seeing a specialist for your medical care, you may ask UnitedHealthcare, your MO HealthNet Managed Care health plan for a specialist to be your PCP.

Out-of-network providers

You or your PCP might decide that you need to see a doctor or provider that is not in our network. Your PCP may need to call us to approve these services before they will be covered. This is called a Prior Authorization. Read more about prior authorization in the member handbook. You do not need a prior authorization for family planning or in an emergency.

Women's health specialist

You have direct access to a network women's health provider for family planning, routine and preventive care. You may go to any of our OB/GYN providers. You can find these doctors in the Specialists section of this directory.

Behavioral health/Substance use

We offer behavioral health and substance use benefits. UnitedHealthcare, your MO HealthNet Managed Care health plan will cover your behavioral health needs. A PCP referral is not needed for behavioral health care. You may go to any behavioral health provider on UnitedHealthcare, your MO HealthNet Managed Care health plan's list of providers. Be sure to go to a behavioral health provider in our network. Behavioral health care includes care for people who abuse drugs or alcohol or need other behavioral health services. Call **1-866-292-0359**, TTY **711** to get behavioral health services and for help finding a provider within our network.

Children who are in Alternative Care or get Adoption Subsidy get behavioral health care through MO HealthNet Fee-for-Service using MO HealthNet approved providers. These children get their physical health care from UnitedHealthcare, your MO HealthNet Managed Care health plan. Doctors can be found in the Behavioral Health Providers section of this directory.

National ancillary providers

We contract with durable medical equipment and laboratory providers nation-wide. Some national providers are not listed in the directory. Call Member Services to help you find a network ancillary provider.

Transportation services

For more information about non-emergency medical transportation services, call Member Services at the number on your member ID card. NEMT stands for Non-Emergency Medical Transportation. NEMT can be used when you do not have a way to get to your health care appointment without charge. We may use public transportation or bus tokens, vans, taxi, or even an ambulance, if necessary to get you to your health care appointment. UnitedHealthcare, your MO HealthNet Managed Care health plan will give you a ride that meets your needs. You do not get to choose what kind of car or van or the company that will give you the ride.

You may be able to get help with gas costs if you have a friend or a neighbor who can take you. This must be approved before your appointment. To check, call Member Services at **1-866-292-0359**, TTY **711**.

Quality care is important

Not all health care is equal, and that can affect the care you receive. According to one study, adults receive the recommended medical treatment only 55 percent of the time.¹

Studies show that poor quality care can lead to more health problems and surgeries. It can also lead to more hospitalizations and a higher chance of the wrong diagnosis.

Your choices make a difference

People who are involved in their health care decisions have fewer hospital stays and emergency visits. They also use preventive care more often and have lower medical costs. You can take an active part in your health. Seek out and choose quality care.

Quality ratings are viewable for doctors in the following specialties:

- Allergy
- Cardiology
- Endocrinology
- Family Medicine
- Internal Medicine
- Nephrology
- Obstetrics and Gynecology
- Pediatrics
- Pulmonology
- Rheumatology

Quality ratings are based on the UnitedHealth Premium® Program

The guidelines we use to rate doctors are based on standards from the UnitedHealth Premium® program. This program has been in existence since 2005. The Quality rating uses evidence-based measures from national organizations. These measures define how a patient should be treated to get the best care for his or her condition.

At least five unique patients and 20 quality measure opportunities (the number of times a measurement or standard could have been met) across all conditions or procedures are required to measure quality. In order to meet the quality standard, doctors must perform at or above 50th percentile of all doctors assessed. Quality measures for inpatient procedures are severity adjusted by 3M™ APR DRG severity of illness level.

¹ Asch, Steven M. et al. The New England Journal of Medicine. 2006 March 16; 354: 1147-1156.

Doctors can appeal their Quality ratings

Doctors have an opportunity to review the data used to create their Quality rating. Doctors can also ask us to reconsider the data that was used. The process for these requests are described in the UnitedHealth Premium program's detailed description.

Do you have questions or a grievance about the Quality ratings?

Call Member Services at the number found on your member ID card from 8:00 a.m. to 8:00 p.m. CT, Monday through Friday.

Important notes about Quality ratings

Quality ratings are a guide

Quality ratings are a resource for informational purposes only. Quality ratings are displayed in UnitedHealthcare online provider search tools and MO HealthNet Managed Care member directories.

Quality rating information is a guide to choosing a doctor and may be used as one of many factors you consider when choosing a doctor. If you already have a doctor, you may also wish to confer with him or her for advice on selecting other doctors. Doctor Quality ratings have a risk of error and should not be the sole basis for selecting a doctor.

Only individual doctors that meet UnitedHealthcare Community Plan Quality ratings criteria, or doctors in identified specialties who are part of medical groups that meet UnitedHealthcare Community Plan's Quality rating criteria for group practices and who have enough claims data for analysis, may be included. All doctors who contract with UnitedHealthcare Community Plan have met credentialing requirements. Regardless of Quality rating, plan enrollees have access to doctors in the UnitedHealthcare Community Plan network as described in their benefit plan. Specialties for which there are no Quality rating guidelines currently established are excluded from evaluation.

Los proveedores no toman esas decisiones de cobertura. UnitedHealthcare anima a los proveedores a que hablen sobre opciones de tratamiento que podrían ser no pagadas por su plan de salud.

Para escoger a un Doctor de Atención Primaria (PCP)

Hay varias clases de PCP en este directorio. Cada miembro con cobertura en la familia puede tener su propio PCP dentro de UnitedHealthcare Community Plan. Excepto en el caso de una emergencia, su PCP y el personal le brindarán o le administrarán a usted todos los cuidados de salud.

Para cambiar de PCP

Usted debe elegir un PCP. Si no lo hace, nosotros elegiremos uno por usted. Su PCP administrará su atención médica. El PCP conoce que UnitedHealthcare, su plan de salud MO HealthNet Managed Care, puede orientarlo hacia los especialistas si usted los necesita. Puede solicitar un especialista como su PCP si tiene una enfermedad crónica o una condición incapacitante. Elaboraremos un plan para asegurarnos de que reciba la atención que necesita.

Usted tiene el derecho de cambiar de PCP en nuestro plan de salud MO HealthNet Managed Care. Puede cambiar de PCP en cualquier momento durante el año. Este cambio entrará en vigencia el primero del mes siguiente. Los niños bajo custodia estatal pueden cambiar de PCP con tanta frecuencia como sea necesario. Para hacer esto, llámenos al **1-866-292-0359**, TTY **711**. Cuando usted cambie de PCP, le enviaremos una nueva tarjeta de identificación como miembro.

Consultando con otro doctor o especialista

Es posible que su PCP quiera que visite a un especialista. Un especialista es un profesional médico que tiene muchos conocimientos sobre su enfermedad crónica. Si tiene una enfermedad crónica y está consultando a un especialista para su atención médica, puede solicitar a su plan de salud MO HealthNet Managed Care que un especialista sea su proveedor de atención primaria. Su médico lo ayudará a encontrar el especialista adecuado. Si tiene una necesidad especial de atención médica, llame a UnitedHealthcare, su plan de salud MO HealthNet Managed Care, al **1-866-292-0359**, TTY **711**. UnitedHealthcare, su plan de salud MO HealthNet Managed Care, trabajará con usted para asegurarse de que obtenga la cuidado que necesita. Si tiene una enfermedad crónica y está consultando a un especialista para su atención médica, puede solicitar a UnitedHealthcare, su plan de salud MO HealthNet Managed Care, que un especialista sea su PCP.

Proveedores por fuera de la red

Usted o su proveedor pueden decidir que usted necesita consultar con un doctor o un proveedor que se encuentre por fuera de nuestra red. Su PCP posiblemente tendrá que llamarnos para obtener la aprobación de los servicios antes de que sean dispensados. Esto se le conoce como autorización previa. Lea más acerca de las Autorizaciones Previas en su Manual para Miembros. Usted no necesita una autorización previa para servicios de planificación familiar o en caso de una emergencia.

Especialistas de salud de la mujer

Usted tiene acceso directo a la red de especialistas de salud para la mujer para obtener servicios de planificación familiar, atención de rutina y cuidados preventivos. Puede acudir a cualquiera de nuestros proveedores de obstetricia/ginecología. Se puede encontrar estos doctores en este directorio en la sección de Especialistas.

Salud del comportamiento/Uso de sustancias

Ofrecemos beneficios de salud del comportamiento y del uso de sustancias. UnitedHealthcare, su plan de salud MO HealthNet Managed Care, cubrirá sus necesidades de salud del comportamiento. No se necesita una referencia de un PCP para la atención de la salud del comportamiento. Puede acudir a cualquier proveedor de salud del comportamiento en la lista de proveedores de UnitedHealthcare, su plan de salud MO HealthNet Managed Care. Asegúrese de acudir a un proveedor de salud del comportamiento de nuestra red. La atención de la salud del comportamiento incluye la atención para personas que abusan de las drogas o el alcohol o que necesitan otros servicios de salud del comportamiento. Llame al **1-866-292-0359**, TTY **711** para obtener servicios de salud del comportamiento y para obtener ayuda para encontrar un proveedor dentro de nuestra red.

UnitedHealthcare, su plan de salud MO HealthNet Managed Care, le proporcionará un transporte que satisfaga sus necesidades. No puede elegir qué tipo de automóvil o camioneta o la compañía que lo llevará.

Es posible que pueda obtener ayuda con los costos de la gasolina si tiene un amigo o un vecino que pueda llevarlo. Esto debe ser aprobado antes de su cita. Para verificar, llame a Servicios para Miembros al **1-866-292-0359**, TTY **711**.

La calidad en los cuidados de salud es importante

No todos los cuidados de salud son iguales, y eso puede afectar los cuidados que usted recibe. De acuerdo a un estudio, los adultos solo reciben el 55 por ciento del tiempo los tratamientos médicos recomendados.¹

Los estudios revelan que la inadecuada calidad de los cuidados de salud puede llevar a más problemas de salud y cirugía. También puede dar como resultado más hospitalizaciones y altas probabilidades de diagnósticos equivocados.

Sus preferencias hacen la diferencia

Aquellas personas que participan en las decisiones acerca de sus cuidados de salud tienen menos estadías en el hospital y menos visitas a las salas de emergencia. Ellas también hacen uso de cuidados preventivos de salud más a menudo y tienen menores costos médicos. Usted puede tomar una parte activa en su salud. Busque y escoja cuidados de salud de calidad.

La clasificación de Calidad puede verse para doctores en las siguientes especialidades:

- Alergia
- Cardiología
- Endocrinología
- Medicina Familiar
- Medicina Interna
- Nefrología
- Obstetricia y Ginecología
- Pediatría
- Neumonología
- Reumatología

La clasificación de Calidad se basa en el programa UnitedHealth Premium®

Las normas que nosotros empleamos para clasificar a los doctores están basadas en los estándares del programa de UnitedHealth Premium®. Este programa ha sido empleado desde 2005. La clasificación de Calidad considera evidencias de organizaciones nacionales. Estas evidencias definen la manera en que un paciente debe ser tratado para que él o ella puedan obtener los mejores cuidados en la condición que tengan.

¹ Asch, Steven M. et al. The New England Journal of Medicine. 2006 March 16; 354: 1147-1156.

Por lo menos cinco pacientes con condiciones únicas y 20 oportunidades para la medición de posibilidades de Calidad (el número de veces que una medición o un estándar se produce) son requeridas a todo lo largo de condiciones o procedimientos para medir la Calidad. Para poder llenar los estándares de calidad, los doctores deben encontrarse a un 50 o más alto percentil de todos los doctores examinados. Las medidas de la Calidad para los pacientes hospitalizados están ajustadas por el nivel de severidad de una enfermedad del 3M™ APR DRG.

Los doctores pueden apelar su clasificación de Calidad

Los doctores tienen la oportunidad de revisar la información empleada para la creación de su clasificación de Calidad. Los doctores también pueden solicitar que nosotros reconsideremos la información utilizada. El proceso para estas solicitudes se describe en la descripción detallada en el programa UnitedHealth Premium.

¿Tiene usted preguntas o un agravio acerca de la clasificación de Calidad?

Llame a Servicios para Miembros al número anotado en su tarjeta de identificación como miembro, entre 8:00 a.m. y 8:00 p.m. hora del centro, de lunes a viernes.

Importantes notas acerca de la clasificación de Calidad

Clasificación de la Calidad como una guía

Las clasificaciones de la Calidad son recursos informativos solamente. La clasificación de la Calidad se muestra en las herramientas en internet para la búsqueda de proveedores de UnitedHealthcare y en los directorios para el miembro de Missouri HealthNet Managed Care.

La información de la clasificación de Calidad es una guía para escoger a un doctor y puede ser empleada como uno de los muchos factores que usted debe considerar cuando escoge a un doctor. Si usted ya tiene un doctor, puede desear hablar con él o ella acerca de sus opciones al seleccionar a otros doctores. La clasificación para seleccionar a un doctor tiene un riesgo de error y no debe emplearse como la única medida para seleccionar a un doctor.

Solamente doctores individuales que llenan el criterio de clasificación de Calidad de UnitedHealthcare Community Plan o los doctores en especialidades reconocidas quienes son parte de prácticas médicas que llenan el criterio de clasificación de Calidad de UnitedHealthcare Community Plan y que han tenido suficiente información de reclamaciones para poder ser analizados son incluidos. Todos los doctores con un contrato con UnitedHealthcare Community Plan han llenado los requerimientos para una certificación. Sin importar la clasificación de Calidad, los suscriptores al plan tienen acceso a los doctores dentro de la red de UnitedHealthcare Community Plan como se describe en su plan de beneficios. Las especialidades para las cuáles no hay normas de clasificación para la Calidad no están incluidas en esta evaluación.

Nosotros comprobamos el certificado y las afiliaciones hospitalarias cuando estos proveedores se incorporan a nuestra red. Verificamos cada tres años (o antes). Comprobamos nombres, números telefónicos, direcciones, idiomas que hablan, limitaciones y sexo con el proveedor cuando ellos se incorporan a la red o cuando nos proporcionan nueva información.

Esta tabla le ayudará a entender las listas de cada proveedor

1. Otros **idiomas** que habla el proveedor además del inglés.
2. **Condiciones especiales** que afectan a este proveedor.
