

# Updates to your Prescription Drug List

## 2024 Individual & Family plans

### Effective as of March 1, 2024

We are giving you more options to treat your condition by adding more medications to the Prescription Drug List (PDL).

When making changes, we consider a medication's overall value, which is based on factors such as a medication's effectiveness, safety, cost, and the availability of alternative medications to treat the same or similar medical condition.
